**COMMUNICATION UNDER 37 CFR § 1.76(d)(4)**

Dear Sir:

Enclosed please find a Data Sheet which correctly sets forth the spelling of the names of the inventors. Applicants' attorney was advised by Applicants' Japanese patent attorneys that the Data Sheet originally provided to us contained typographical errors in the names of two of the inventors: Kou MASUDA should have been "Ko MASUDA" and Hiroshi MATUNAGA should have been "Hiroshi MATSUNAGA." Applicants' attorney requests that the originally captured bibliographic information be recaptured from the enclosed Data Sheet to correct the U.S. Patent and Trademark Office's records.

I hereby certify that this correspondence is being deposited with the United States Postal Service as First Class Mail in an envelope addressed to: Mail Stop Missing Parts, Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450, on October 28, 2003.
